“Oops! We [energized “Lil’ Wranglers”] forgot to follow the just-given safety instructions!”

Of course, we all know that **SAFETY** is always the major concern when children and ponies interact. However, when managed properly, the benefits children receive from such interaction are immeasurable, and the danger is minimal.

Because our pony rides offer more than just riding around in a circle, **we must strictly enforce the following safety measures – without exception.** We have a good handle on the operation, but your watchful eye is always a plus. So Adults, please help us ensure that the following guidelines are met.

1. **ARRIVAL** – No one is allowed inside the barn, except in designated areas. Wait for management to direct you.
2. **KEEP A SAFE DISTANCE!** – Children who are waiting their turn to ride must keep a **safe distance** from the ponies. They will be given instructions on where to stand, sit, or walk until it is their turn.
3. **RUNNING, SCREAMING, “ACROBATS”** will not be tolerated when near the ponies.
4. **AFTER THE RIDE** – Please wait for instruction during this transition time. Children will have a chance to interact with the ponies after the ride by giving them a “thank you” carrot. However, remember that the “keep a safe distance” rule is always enforced.
5. **HAYLOFT** – By reservation only. Children are asked not to enter the loft until it is time for presents and refreshments. Children are not allowed to run up and down the stairs.
6. **PRIVATE PLAY AREA** – Off limits while ponies are being ridden. Use at your own risk. Adult supervision is required.
7. Please feel free to enjoy the farm, but **KEEP CHILDREN OUT OF THE PASTURES** and their little **FINGERS AWAY FROM THE HORSES’ MOUTHS!**

Twilight Pony Rides is very grateful for your patronage, and we are proud to present a unique riding opportunity for children. With your continued help and cooperation, we can continue our current program, which has proven to be a fun & rewarding adventure for youngsters and adults alike.
